

Stories from Wembley

Greenhill Library Saturday 27th July 2024

Keep your football dreams alive with Wembley Stadium's Learning Zone Team when they visit Greenhill Library on Saturday 27 July for the Summer Reading Challenge.

We'll be exploring stories from our national stadium's history, including the tale of a Collie dog called Pickles who saved the day back in 1966 - just in time for England's legendary World Cup win. Discover how story sequencing works, take part in an interactive quiz and make an exclusive Wembley Stadium / Harrow Libraries badge!

Please book via Eventbrite: <https://tinyurl.com/harrowlibraries>

These activities are for Harrow library members aged 6-8 and their accompanying adult. We have limited spaces available on the workshops, which take place at 10:30am and 12:00 noon. We regret we are not able to admit babies or siblings outside of the advertised age range.
