

English

Goldilocks and the Three Bears / Hansel and Gretel

We shall be exploring short narratives and writing alternative story endings. We will act out traditional tales, focusing on performance and oral presentation.

History

Kings and Queens

We will be learning about some of the most famous monarchs of the UK including Elizabeth and Victoria. We will learn the chronological order of significant events that happened under their reign.

Design Technology

Structures / Baby Bear's Chair

We will be learning about different types of structures found in the world around us. After exploring joints and structures we shall design and create a chair for Baby Bear using appropriate materials and construction techniques.

Religious Education

Hinduism

We shall be learning how Hindus celebrate important life events and the significance of Hindu ceremonies to celebrate births, coming of age and weddings.

PSHE

Dreams and Goals

We will be setting goals and identifying successes and achievements.

Science

Marvellous Materials

We shall be identifying a variety of everyday materials (including wood, metal, plastic and glass) and describing their physical properties. We will be building a house for the Three Little Pigs using different types of materials.

Year 1 Curriculum Spring 1

This half term our topic is: **Happily Ever After**

Support your child at home:

Why not make a fairytale castle using recycled materials? You could also create a factfile of your favourite king or queen.

Enrichment

Windsor Castle

We shall be visiting Windsor Castle to learn more about the Royal Family and to explore different rooms within the grounds.

Computing

We are Digital Artists

We will use iPads to create work inspired by great artists. This will involve selecting and using a range of brushes and colours.

Physical Education

Team Building / Net & Wall

We shall be developing team building and problem solving skills in indoor P.E. We will also learn basic skills required in net and ball games.

Music

Pulse and Rhythm

We will be exploring the difference between beat and rhythm and will accompany songs using untuned percussion instruments, following simple rhythmic notation.

French

Instructions / Features

We will learn classroom instructions, parts of the body and face.

Physical Education

Team Building / Net & Wall

We shall be developing team building and problem solving skills in indoor P.E. We will also learn basic skills required in net and ball games.
