

English

The Bug Collector / Bug Hotel

In English we will be drafting and writing a diary entry. We will be creating a fact flap book about mini beasts and learning about fiction and non-fiction texts.

Geography

Local Area and Settlements

In Geography this half term we will use simple observation/fieldwork skills. We will learn to recognise a range of map symbols and have a go at naming the 4 points of a simple compass.

Art and Design

Earth Art

In Art we will explore ways of painting on rocks. We will create sculptures out of sticks and twigs and natural found materials. We shall also have a go at weaving using natural materials.

Religious Education

Christianity

In R.E. we shall be learning about the Easter story and how Easter is special for Christians. We will be thinking about how we welcome special people into our homes.

PSHE

Healthy Me

In PSHE we shall consider healthy and unhealthy food and lifestyles. We will also be learning about medicine safety and the importance of road safety.

Science

Animals including Humans

In Science, we will identify and name common animals. We shall learn about their diets compared with ours and also have a go at describing and comparing structures of common animals.

Music

Pitch

We shall continue to work on rhythm and note values. We will use tuned percussion instruments to play simple melodies within the range of C to C'. We will also learn new songs, focusing on pitch accuracy.

Year 1 Curriculum Spring 2

This half term our topic is: Nature Detectives

Support your child at home:

Why not make a factfile about an animal or create a model of a bug from recycled materials?

Enrichment

Dentist Visit / Bug Hunt

A dentist will be visiting Year 1 to talk to us about our teeth and good dental care. We shall also be going for a bug hunt in the Whitchurch Woodland.

Computing

We are Publishers

In Computing we will be planning and creating a multimedia eBook. We will import images from the Internet, add text and have a go at recording a commentary.

Maths

Place Value / Measures

We will be counting forwards and backwards within 50 and partitioning numbers into tens and ones. We shall explore length, mass (heavier/lighter) and volume (full/empty).

French

Instructions / Features

We will learn classroom instructions, parts of the body and face.

Physical Education

Yoga / Games

In P.E. we will explore yoga and mindfulness and develop our balance whilst holding poses. For Outdoor PE we will be defending and attacking a player.
