

English

Crimean War Letters

In English, we will be looking at what it was like to be a soldier in the Crimean war. We will be writing a letter using a variety of conjunctions to join and extend sentences and will be looking at emotive language.

History

Florence Nightingale

In History, we will be learning all about inspirational women and will look at Florence Nightingale's life and achievements. We will also be going on an exciting trip to the Florence Nightingale Museum!

Art and Design

Sonia Delaunay

In Art, we will be learning about an artist called Sonia Delaunay and explore her artwork. We will have a go at sketching a geometric shape pattern and will be using contrasting colours for effect.

Religious Education

Easter

This half term, we will be looking at how Christians celebrate Easter and link this to our own religions. We will learn about Spring and new beginnings and will have a go at creating delicious chocolate Easter nests!

PSHE

Healthy Me

In PSHE we will consider making healthy choices including healthy eating, nutrition, motivation and relaxation.

Maths

Fractions / Time

Year 2 will be learning about fractions and time this half term. We will make equal parts, find and recognise halves and quarters and will also be looking at telling the time to o'clock, half past and quarter to/quarter past.

French

Wellbeing

We will be exploring vocabulary and phrases linked to wellbeing.

Physical Education

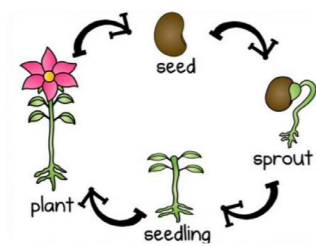

Yoga / Target Games

In P.E. we will be learning to copy and repeat yoga poses and will develop awareness of our flexibility. We will also be learning tactics to defend and attack during target games.

Science

Plants and Variation

This half term, we are looking at plants and variation. We will look closely at the parts of a seed and learn how it will germinate. We will also learn about the life cycle of a plant.

Music

Pitch

In Music we will focus on developing our performing skills using classroom instruments while enhancing our ensemble and listening skills. We will play simple tunes by following a music score and sing a variety of songs, accompanying them with melodic and rhythmic patterns.

Enrichment

Florence Nightingale Museum

We shall be visiting the Florence Nightingale museum as part of our topic and to explore her life in more detail.

Computing

We are Zoologists

In Computing we will focus on collecting data using tick charts or tally charts. We will also learn how to edit and enhance photographs and use Microsoft excel to produce basic charts.

Year 2 Curriculum Spring 2

This half term our topic is: **Inspirational Women**

Support your child at home:

Why not create a poster or factfile for an inspirational woman such as Florence Nightingale?
